Ask your dentist about the following GloboDent options:

The **BlanQuest Professional Whitening Treatment** provides the most effective solution towards a brilliant white smile. Obtain a noticeably whiter smile in minimal time in just one in-office procedure. Teeth Whitening is the most frequently requested esthetic dental procedure and within our advanced 45 minutes procedure, you can only expect rapid and dramatic results.

- ✓ 3 to 8 shade improvements in only 45 minutes
- ✓ Features GloboDent innovative 35% hydrogen peroxide advanced formula gel
- ✓ Designed for treating dark, discolored tooth/teeth caused by dark food and/or drink intake
- ✓ Also designed for other discolorations such as fluorosis, tetracycline and minocycline stains

The New **BlanQuest Home Whitening Kit** is a perfect option for people looking for a safe, effective, and simple to use at home whitening procedure. It is a professional alternative that can deliver powerful results while also perfect for follow-up and maintenance purposes in an inexpensive manner.

The BlanQuest Home features a gentle 6% H₂O₂ formula for noticeable whiter smiles.

- ✓ Only 30 minutes a day.
- ✓ Optimum whitening results within 2 weeks
- ✓ EVA or thermforming material included for personalized tray development
- ✓ Includes GloboDent Remineralizing Gel, proven to strengthen and remineralize dental enamel while decreasing risks of tooth sensitivity, for a comfortable procedure.
- ✓ Delicious mint flavors
