

VISION STATEMENT

Our vision is to provide our consumers and dental professionals with state of the art innovative dental solutions, fostering an enduring relationship built on family values, character and confidence, culminating with a commitment to servicing our clients with high ethical standards of conduct. Furthermore, it is our vision to eliminate barriers by delivering results that exudes self-assurance, thus yielding each client their dream smile! GloboDent is dedicated to offering extraordinary services and positive experiences while exceeding each client's expectations as the preeminent innovator in oral health globally.

QUALITY

GloboDent is committed to producing high quality whitening materials and dental products, using the finest and safest ingredients and materials, in order to guarantee a Perfect Smile.

COMFORT

GloboDent takes pride in providing the most comfortable and effective whitening treatment and dental products in the market today. We are committed to employing proven multifaceted diagnostic technology while creating high-quality products that will grant our consumers and professionals access to safe, comfortable and long-lasting oral care.

EFFECTIVE

We are dedicated to delivering top-tier oral health care essential, granting each user a unique experience. We have designed all of our products to not only provide top quality results, but to also provide them in a quick and efficient manner. Our whitening procedure along with our formulations, are designed to provide a faster treatment. Shorter treatments means less risk of sensitivity, a more comfortable procedure, and more chair time to see more patients, all factors in having satisfied clients and more profits.

PROFITABLE

We firmly believe in providing a top quality, highly effective line of products that provide top results. We do this alongside our belief that we achieve success through teamwork and partnerships where all involved are successful and profitable. We stand by the value that we offer.

SATISFACTION

We strive for the satisfaction of our clients and entire GloboDent community. We are ready to meet all your needs while our products speak for themselves in providing Top results. Our patients report satisfaction on our dental products and the most comfortable whitening treatments due to shorter procedures, relaxing experiences, and little to no sensitivity issues. Our goal is safety along with great whitening results.

GLOBAL

Our GloboDent community stretches around the globe. Our headquarters are based in Katy, Texas, where all the business operations and product development occurs, along with our partner manufacturing facility in China. We have partners in all continents but continue to strive towards providing healthy white smiles all over the world
