Ultimate cleaning
and whitening

GloboDent
innovative dental solutions

GloboDent SONIC ELECTRIC TOOTHBRUSH

The GloboDent Sonic Electric Toothbrush has been carefully designed to offer you and your family a new and unique brushing experience, which is both safe and effective. From our specially engineered bristles for optimal tooth coverage, to our sonically-vibrating brush heads designed to remove plaque even from the more difficult to reach areas, you are guaranteed to experience an absolute brushing experience.

Features:

30-second smart area reminder

2-minute intelligent timer

IPX7 water proof design

Charger with indicator light

5 Brushing Modes

Our toothbrush offers 5 brushing modes to meet a variety of oral care needs:

Clean

The ultimate in plaque removal (standard mode)

Sensitive

Extra gentle mode for sensitive teeth and gums

Massage

Massage teeth and gums softly in low frequency

Whiten

Whitening mode of 2 minutes to remove surface stains

Polish

1 minute mode to brighten and polish your front teeth
